# Is your supply chain secure? Would you like priority processing for customs inspections?

## Did you know?

- C-TPAT Supply Chain Security Certification:
  - Helps you protect your supply chain
  - Makes you 4 to 6 times less likely to incur a security or compliance examination
  - Allows your imports priority processing when inspections are required
  - Can elevate a company's reputation and ability to secure business
  - Enables you to participate in FAST (Free and Secure Trade) lane access for US border-crossing shipments

## We can help you...

- Review your supply chain for security vulnerabilities
- Reduce delays in your international supply chain
- Reduce cost in your customs and trade operations
- Add supply chain dividends in logistics and transportation cost reductions and cycle time improvements
