Are your shipments getting stuck in customs? One customs exam occurs every 5 movements for international border crossings into the United States.

Did you know?

Improper documentation is the leading cause of many customs delays including:

- Failure to list required data
- Incorrect classification, country of origin, or valuation information
- Missing required forms such as commercial invoices and certificates of origin.

We can help you...

- Identify causes of customs delays and correct customs processes
- Reduce delays in your international supply chain
- Lower cost in your customs and trade operations
- Improve your compliance with US Customs and Border Protection
- Understand Other Government Agency (OGA) requirements (FDA, USDA, FCC, etc.)
- Interpret Incoterms/shipping terms

Let our Fortune 50 global customs experts help you!
